Interview Summary

Sir:

The Examiner is thanked for the courtesy of a telephone interview concerning the above case on October 28, 2005. This call concerned the Official Action mailed September 19, 2005. In that Action, claims 1-15 were rejected as anticipated by parent patent Pechanek et al. U.S. patent No. 6,338,129. Claims 16-43 were rejected for statutory double patenting. That rejection did not address the claims as amended by the preliminary amendment filed February 9, 2004. In light of that filing, the Examiner agreed to withdraw the current action.
